### Lambs are Firm at \$9.50; Very Little Stock is in Sight

(Courtesy The Journal.)  
PORTLAND, Ore. — Extreme strength is shown all through the livestock trade at North Portland. The day's arrivals were scant and the markets were scarcely given a test. However, the general trend of the trade, if anything, is even stronger than Monday.

The extreme strength of the mutton and lamb trade is exciting the attention of the country and city alike. Real good lambs are easily worth \$9.50 on the present market and the price is therefore lifted to that basis.

"The mutton and lamb market is excellent so far as the price is concerned," says Lee M. Lacey of the Lacey Commission Co., "but there has been practically nothing in sight recently. Stocks are scarce in the country and the outlook for prices is therefore exceptionally good."

Practically all the sheep that arrived in the yards overnight were direct shipments to local and Puget Sound killers.

General mutton and lamb range: Choice weight lambs... \$9.50  
Good to common lambs... \$9.00  
Choice yearling wethers... \$9.00  
Good to common yearlings... \$8.75  
Old wethers... \$8.75  
Choice light ewes... \$8.75  
Good to common ewes... \$8.50

**Cattle Go to Tacoma.**  
Aside from the big shipment of cattle from an Idaho point which went direct to a Tacoma packer, there was only a handful of stuff reported in the North Portland yards overnight.

General trade conditions in the cattle market are exceptionally good with Monday's extreme values still available for quality offerings.

General cattle market range: Choice pulp fed steers... \$18.00  
Choice grain fed steers... \$17.50  
Ordinary grain fed steers... \$17.00

### TO DARKEN HAIR APPLY SAGE TEA

LOOK YOUNG! BRING BACK ITS NATURAL COLOR, GLOSS AND ATTRACTIVENESS.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and lustrant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and lustrant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

**Hog Market Taken a Balloon.**

Hog market is showing a balloon attitude. There was but little stock available for the market at the opening of the day's trade at North Portland, although a fair run was shown. General ideas of the trade here are for continued advances in swine value; this proving no incentive for the country to make immediate shipments. While the packing season is getting to a close, the demand is expected to remain excellent.

General hog market range: Choice light weights... \$9.00  
Medium weights... \$8.50  
Rough and heavy... \$8.25

### RITA JOLIVET IS NOW THE COUNTESS CIPPIO

NEW YORK, March 15.—Rita Jolivet, the actress, is now the Countess Giuseppe Cippio and will retire from the stage. It has just been learned that the English actress, who was married when the Lusitania was torpedoed, was married on January 28, and has been enjoying a honeymoon on Broadway.

Her husband, she says, is a mem-

ber of the Italian nobility, whom she met in Italy before the war. They were married at the home of her father, Eugene Jolivet, in London. She declares that she will give up the stage for domestic life.

Miss Jolivet was born of French parents and studied for the stage there and in London. She came here in 1911, playing in "Kismet." It was she who reported Charles Frohman's last words as they stood together on the deck of the sinking Lusitania: "Why should one fear death? It is the most beautiful adventure in life!"

**Uruguay Firemen Best.**

NEW YORK, March 15.—Police reserves, reinforced by the fire department, had to be called out by the authorities of Montevideo, Uruguay, to break up an anti-German demonstration resulting from a meeting of the German residents of the city to celebrate Emperor William's birthday, according to George C. Irvine, naval port officer of Montevideo, who arrived here on the steamer Vestris from South America.

The Germans gathered at a theater for the celebration, Mr. Irvine said, and soon after the meeting began a crowd collected which became a threatening in its attitude that the police interfered. Their efforts were unavailing, but the firemen dispersed the demonstrators.

The production of tungsten ores in the United States during 1915 broke all records. It was equivalent to about 2166 short tons of concentrated, carrying 60 per cent of tungsten trioxide, and was valued at more than \$2,000,000.

The largest previous output of tungsten ore was in 1910, when 1821 tons was produced. The price of tungsten as metal, or ferro-tungsten, rose \$1 a pound in January, 1915, to \$5 a pound in December.

**Germans Lose 35,198 in Month.**

LONDON, March 15.—According to official German casualty lists which have reached London, the total of German casualties for February was 35,198. This brings up the total for the war, as shown in these lists, to 2,667,372.

### ROAD TO HEALTH IS THROUGH THE KIDNEYS

No person alive is stronger than his kidneys. The minute the kidneys become disarranged or clogged with waste the warning is flashed throughout the entire system. The greater part of all sickness today can be avoided by keeping the kidneys working properly.

Tallman & Co., the popular druggists, can tell you of many well known people in this city whom Solvax, the standard kidney remedy, has restored to health, often after they have tried many other methods of treatment with little or no benefit.

There are hundreds of people in Pendleton who were not the least bit surprised when they read in the East Oregonian that Tallman & Co. were selling Solvax on a guarantee to refund the money in case it did not relieve. This remarkable kidney remedy is guaranteed to help the worst case of lary, sluggish, or clogged-up kidneys or the general headache, kinkybacked, played-out condition that afflicts people suffering with kidney trouble. Solvax does not simply relieve, it aims to cure.

The best kind of advertising is the praise of a pleased customer, and there are hundreds in Pendleton today praising Solvax because it does what it is advertised to do. Not very long ago they were afflicted with all manner of aches, uncomfortable pains and each day seemed to bring with it a new ache in some other part of their body. Since using Solvax they are once more bright and chipper and able to enjoy life at its fullest with no more fear of suffering.

No other kidney remedy has made such a large percentage of cures as Solvax. It is so large that Tallman & Co. are perfectly safe in standing ready to refund the price to any customer whom it does not help. This is a good time to get well and you ought to take advantage of their offer.

### SALTS FINE FOR ACHING KIDNEYS

WE EAT TOO MUCH MEAT WHICH CLOGS KIDNEYS, THEN THE BACK HURTS.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally. else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it's only trouble.
